2010 Cookie Recognition Opt-Out Contract

By participating in the Opt-Out option of the 2010 Cookie Sale, all troop members have agreed to decline receipt of cookie recognition items, except the Theme Patch earned for 25 boxes sold per girl. The troop will instead earn an additional .05 cents for each box of cookies sold. This gives the troop a total profit of .40 cents for each box of cookies sold by the troop.

To have a valid Opt-Out contract, the following qualifications must be met:

1. Must be a registered Girl Scout Cadette, Senior or Ambassador troop.
2. All troop members registered with the troop must sign the contract.
3. Contract must be submitted to the Girl Scout Office by **February 3, 2010.**
